

# COMMUNITY WARDEN SERVICE

We are committed to supporting and promoting sustainable and safe communities.

Our community wardens provide a service across Gwynedd. Their aim is to ensure you can enjoy your home and be proud of the area in which you live.

Our community warden service includes:

- A visible presence on our estates
- Providing support and help to residents
- Helping tenants sustain their tenancies over the first 12 months
- Responding to any estate management issues
- Running local projects for the benefit of the community and environment
- Working with local organisations and associations
- Monitoring and keeping an eye on land and communal areas
- Working to prevent anti-social behaviour
- Supporting witnesses and victims
- Giving youngsters the opportunity to take part in our annual Junior Warden Scheme
- Encouraging tenants and residents to take part in our forums

To contact your local community warden phone our Neighbourhood Services Team on 0300 123 8084, or email [cymdogol@ccgwynedd.org.uk](mailto:cymdogol@ccgwynedd.org.uk)
